Temporary regulations for the prevention and control of cholera.

1. In these regulations, unless there is anything repugnant in the subject or context:—

(*a*) "Health Officer" means the Health Officer of the municipality;

(*b*) "Sanitary Inspector" means a Sanitary Inspector appointed by the municipality;

(*c*) "suspected cholera" means any disease accompanied by vomitting and diarrhœa;

(*d*) "patient" means a person suffering from or suspected to be suffering from cholera;

(*e*) "medical practitioner" means any person practising the medical profession.

2. Whenever any land is held jointly by two or more persons, whether as owners or occupiers of that land, such persons shall be held jointly and severally liable for carrying out any measure ordered in a notice under these regulations, and the names of any one or more of such joint-holders may be entered upon such notice at the discretion of the Health Officer or a Sanitary Inspector and the Health Officer or a Sanitary Inspector shall not be bound to enter the names of all the joint-holders in the notice.

Notices.

3. If in any case the Health Officer or a Sanitary Inspector considers that the issue of a notice under these regulations is likely to lead to such an amount of delay as might facilitate the spread of cholera he may forthwith take such steps as he may think fit for carrying out the work, and shall thereafter, as soon as possible, issue a notice on the person concerned stating the reason why such work has been carried out.

4. If any measure which the Health Officer or a Sanitary Inspector has, by a notice issued under these regulations, required to be carried out, be not carried out to his satisfaction within the time stated in the notice the Health Officer or a Sanitary Inspector shall be entitled to carry out the measure.

Costs and compensation.

5. (*1*) All expenses incurred in carrying out any work in pursuance of an order issued under these regulations shall be paid by the municipality except in any case where the order directs a person to carry out any work in relation to property in his possession, in which case the expenses shall be paid by that person:

Provided that where the conditions, which led the Health Officer or a Sanitary Inspector to pass such an order, are not attributable to any act or default of the persons in possession of the property, the municipality may pay to such person the whole or part of expenses incurred by him in carrying out the order.

(*2*) The municipality may recover all expenses incurred by the Health Officer or a Sanitary Inspector in carrying out the measure under regulation 4 from the person or persons to whom the notice was originally issued.

6. The municipality shall pay adequate compensation to any person who has sustained substantial loss or damage by reason of anything done under these regulations:

Provided that no person shall receive any compensation for anything done or suffered under these regulations, if he has failed to carry out an order issued under these regulations within the time specified in the order and to the satisfaction of the Health Officer or a Sanitary Inspector.

Location of disease.

He shall not direct the patient to be removed from the house unless it is in his opinion impossible

to make proper arrangements for his isolation therein.

12. The Health Officer or a Sanitary Inspector may order that any person, who has in his opinion been exposed to infection from cholera, shall take such drugs in such quantities as may be specified by the Health Officer or a Sanitary Inspector or shall submit himself to anti-cholera inoculation within a time to be specified in the order.

13. No person shall enter any place wherein a patient is isolated under regulation 11 without the permission of the Health Officer or a Sanitary Inspector.

14. The municipality shall provide free of charge suitable places, with necessary attendants, medicine, diet and other necessaries for persons isolated under regulation 11: Provided that a private individual may provide places certified by the Health Officer or a Sanitary Inspector as being fit for the purpose of such isolation.

14A. If it is not possible for the municipal commissioners to provide suitable places with necessary attendants, diet and other necessaries for isolation of the patient or if satisfactory arrangement for such isolation is not also possible in the house where the patient is staying, the patient shall be sent, under proper sanitary precautions, to the hospital within or outside the nearest municipality where there is suitable arrangement for isolation.

15. No person, who is or has been suffering from cholera, shall leave the place where he has been staying until he has received from the Health Officer or a Sanitary Inspector written permission to do so.

16. The Health Officer or a Sanitary Inspector may require any person to allow to be carried out by such agency and within such time as may be specified in the order, such measures for the disinfection or evacuation of any premises in the occupation of such person or for the disinfection or destruction of any of his personal effects, as the said officer or inspector may consider necessary.

18. The Health Officer or a Sanitary Inspector may forbid any person who has been a patient or who has, to his knowledge, been in contact with a patient, to act as vendor of any article for such period as may be specified in the order.

18A. No person shall carry or permit to be carried in a public conveyance a patient except in the case where a patient is carried with proper precautions to a hospital.

19. No person shall sell any article which has been in contact with a patient until it has been disinfected to the satisfaction of the Health Officer or a Sanitary Inspector.

19A. No person shall expose in any street, shop, bazar or any public place any clothing, bedding or other article which has been in contact with a patient or shall cause or suffer such article to be carried in any public conveyance, but nothing in this regulation shall apply to a person who transmits with proper precautions against spreading the disease any such article for the purpose of having the same disinfected.

19B. No person shall carry or permit to be carried in a public conveyance the dead body of any person who has died of cholera without the previous written permission of the Health Officer or a Sanitary Inspector, and without taking proper precautions against spreading the said disease.

20. (*1*) When the Health Officer or a Sanitary Inspector is of opinion that the water in any well, tank, pool or other possible source of water-supply is contaminated or is likely to be contaminated, he may at once take such steps as he deems necessary to close such well, tank, pool or other source of water-supply, or may require the owner or occupier of land upon which such well, tank, pool or source of water-supply is situated, to take steps to close the same to the satisfaction of the Health Officer or the Sanitary Inspector, as the case may be, within such time as may be specified in the order.

(*2*) The Health Officer or a Sanitary Inspector may require such owner or occupier to keep closed during such a period as shall be specified in the order any well, tank, pool or other sources of water-supply closed under paragraph (*1*) of this regulation.

The Health Officer or a Sanitary Inspector may prohibit persons from entering into or using for drinking, bathing, or any other purpose, during such period as may be specified in the order, the water in any well, tank, pool or other possible source of water-supply, which, in his opinion, is contaminated or likely to be contaminated.

23. The Health Officer or a Sanitary Inspector may, by an order published at such places as he may think fit, set apart any well, tank, part of a river, stream or channel not being private property, or being private property with the consent of the owner, for the supply of water for drinking or culinary purposes and may prohibit therein or within a distance therefrom to be stated in the order all bathing, washing of clothes or animals, or other acts calculated to pollute the water; and may similarly set apart any well, tank, part of a river, stream or channel for the purpose of bathing or for the purpose of washing animals or clothes or for any other purpose connected with the health and cleanliness of the people using such water-supply.

24. The Health Officer or a Sanitary Inspector may prohibit persons from easing themselves, or throwing, depositing or discharging any rubbish, sewage or offensive matter, into any well, tank, pool or other source of water-supply, which is used by the public, or within such a distance from such well, tank, pool or source of water-supply as he may fix.

29. The Health Officer or a Sanitary Inspector may require the owner or occupier of any land to clear and remove, within the period specified in the order, any vegetation upon such land the existence of which in the opinion of the said officer or inspector conduces to the committing of nuisances upon such land.

(*3*) Such person shall be bound to answer all questions relating to such case put to him or her by such officer, other than questions the answers to which would have a tendency to expose him or her to any criminal charge.

3. (2) The municipality may recover all expenses incurred by the Health Officer or a Sanitary Inspector in carrying out the measure under regulation 3 from the person or persons to whom the notice was originally issued.

(3) If the supplier is unable to supply from stock the tyres or tubes specified in the permit, or wishes to replenish his stocks and Part II of the permit has not been detached by the Area Rationing Authority under clause 10, he shall detach Part II of the permit and send it with his indent to the manufacturer or retreader.

(4) Any manufacturer or retreader furnishing a supplier with tyres or tubes on an indent made under sub-clause (3) shall endorse at the appropriate places in Part II of the permit the manufacturer's serial numbers of the tyres so furnished, detach the portion to be retained by him and return the remaining portion to the Area Rationing Authority which issued the permit.

(5) The supplier shall, within seven days of delivering the tyres or tubes specified in the permit to the permit-holder,

(a) endorse on the relevant portion of Part I of the permit the manufacturer's serial numbers of the tyres supplied by him and send the permit to the Area Rationing Authority which issued it;

(b) deliver or despatch (by goods train 'freight to pay', but otherwise free of charge) to the Government Scrap Rubber Depot specified in the permit the old tyres and tubes surrendered under sub-clause (1):

Provided that where the railway is unable to book the old tyres or tubes, the supplier shall obtain from the station authorities an endorsement to that effect on the forwarding note and send the note as so endorsed to the Government Scrap Rubber Depot.

12. *Retreading by recognised retreaders only.*—No person other than a recognised retreader shall retread any used tyre.

13. *Permits for retreading tyres and for supply of retreaded tyres.*—No person shall supply any retreaded tyre to another person, or retread any used tyre belonging to another person except against the surrender by that other person to the supplier or the retreader of a valid permit in Form 6 authorising such supply or retreading, and in accordance with the conditions and instructions appearing on such permit:

Provided that nothing in this clause shall apply to the supply of retreaded tyres or the retreading of used tyres—

(i) under a general or special order of the Central Government or of any Provincial Government or of the Controller or Deputy Controller of Rubber; or

(ii) in pursuance of a contract entered into with the Chief Controller of Purchase (Supply); or to the retreading of any used tyre which is the property of the Central Government.

14. *Application for permits in Form 6.*—(1) Any person wishing to obtain a permit for the supply to him of a retreaded tyre or the retreading of his used tyres shall, after completing an application in Form 7, have the form of certificate appended thereto completed by the supplier or retreader to whom he proposes to entrust the work, and then submit the application along with the registration certificate of the vehicle to the Area Rationing Authority having jurisdiction in respect of the vehicle on which those tyres are used.

(2) A separate application shall be made in respect of each such vehicle.

15. *Procedure for supply of retreaded tyres and retreading tyres.*—(1) A permit for the supply of a retreaded tyre shall ordinarily be issued only in respect of the replacement of a tyre which is fit for retreading.

(2) A person to whom a permit in Form 6 has been granted by the Area Rationing Authority shall hand over the permit to the supplier or retreader named therein and where the permit is for the supply of a retreaded tyre, shall also surrender free of charge to the supplier or retreader the retreadable tyre for the replacement of which the permit is granted.

(3) No recognised supplier shall, without reasonable cause, refuse to supply retreaded tyres against any permit in Form 6 which specifies him as the supplier; and no recognised retreader shall, without reasonable cause, refuse to retread used tyres against any valid permit in Form 6 which specifies him as the retreader.

(4) Within ten days of taking delivery of the retreaded tyres for which a permit has been granted, the permit-holder shall, unless he is a fleet-owner, produce before the Area Rationing Authority the registration certificate of the vehicle concerned, and the Area Rationing Authority shall enter therein the manufacturer's serial numbers of the retreaded tyres fitted to the vehicle as recorded in the permit. Where the permit-holder is a fleet-owner, he shall produce before the Area Rationing Authority his copy of the return in Form 2, together with a statement showing the manufacturer's serial numbers of the retreaded tyres and of the tyres, if any, surrendered to the supplier, and the Area Rationing Authority shall make the necessary changes in both copies of the return and send back to the fleet-owner his copy of the return.

(5) The retreader to whom a permit in Form 6 is surrendered in accordance with the provisions of clause 13 shall, after endorsing thereon the manufacturer's serial numbers of the tyres received by him and the serial numbers of the retreaded tyres supplied by him, return the permit to the Area Rationing Authority issuing it.

16. *Utilisation of tyres and tubes by stockists.*—(1) No stockist shall utilise any tyre or tube in his possession for fitment to any vehicle whether belonging to him or to another person except under a valid permit in Form 8 issued to him in that behalf.

(2) Any stockist wishing to obtain a permit in Form 8 shall make an application in Form 9 to the Area Rationing Authority having jurisdiction in respect of the vehicle for which the tyre or tube is required. A separate application shall be made in respect of each such vehicle and submitted to the Area Rationing Authority together with the registration certificate, if any, of the vehicle.

(3) The Area Rationing Authority shall, when issuing a permit in Form 8 for the fitment of tyres to a motor vehicle, record in the registration certificate of the vehicle the manufacturer's serial numbers of the tyres to be fitted.

(4) A stockist shall within seven days of obtaining a permit in Form 8 deliver or despatch (by goods train 'freight to pay', but otherwise free of charge), to the Government Scrap Rubber Depot specified in the permit the old tyres and tubes, if any, removed from the vehicle:

Provided that where the railway is unable to book the old tyres or tubes, the supplier shall obtain from the station authorities an endorsement to that effect on the forwarding note and send the note as so endorsed to the Government Scrap Rubber Depot.

17. *Period of validity of permits.*—Any permit issued under this Order shall be valid only for the period specified therein.

18. *Prohibition of supply and acquisition of tyres, etc., contrary to this Order.*—No person shall supply or acquire any new, used or retreaded tyre or any new or used tube otherwise than in accordance with the provisions of this Order.

19. *Prohibition of transfer of permits.*—No person shall transfer to any other person any permit issued to himself under the provisions of this Order.

20. *Prohibition of tampering with manufacturer's serial numbers on tyres.*—No person other than a recognised retreader or manufacturer shall obliterate or alter the manufacturer's serial numbers on any tyre.

21. *Prohibitions as to possession, etc., of unserviceable tyres and tubes.*—No person other than a recognised reclaim manufacturer shall—

(b) save with the permission of the Controller of Rubber, use for any purpose, or destroy, any unserviceable tyre or tube;

(c) shall sell or otherwise dispose of any unserviceable tyre or tube except in accordance with the provisions of this Order:

Provided that any Provincial or Area Rationing Authority may permit the owner of an unserviceable tyre or tube whose application for a permit is pending consideration to retain it until the application is disposed of.

22. *Disposal of unserviceable tyres and tubes.*—Any person wishing to dispose of an unserviceable tyre or tube shall deliver or despatch (by goods train, 'freight to pay') to the nearest Government Scrap Rubber Depot which shall pay for it at such rates as may be fixed by the Central Government in this behalf.

23. *Forfeiture of unserviceable tyres and tubes.*—If any person contravenes the provisions of clause 21, any court trying such contravention may, in addition to any punishment to which it may sentence him, direct that the unserviceable tyres or tubes in respect of which the contravention has been committed shall be forfeited to His Majesty.

24. *Production of vehicles for inspection of tyres and tubes.*—An Area Rationing Authority may require an applicant for a permit under this Order to produce the vehicle in respect of which the application is made for an examination of its tyres and tubes, including any spare tyres or tubes he may have in his possession, and may issue such directions concerning the replacement or retreading of tyres as it thinks fit; and the applicant shall comply with such directions.

25. *Making false statements, etc., in connection with application for permits.*—(1) If a person applying for a permit under this Order makes any false statement in his application, then without prejudice to any action that may be taken against him under rule 117 of the Defence of India Rules, the Area Rationing Authority may reject that and any subsequent application for a permit under this Order made by or on behalf of that person.

(2) If a supplier or retreader makes a false statement or gives a false certificate in connection with any application for a permit under this Order, then, without prejudice to any action that may be taken against him under rule 117 of the Defence of India Rules, the Area Rationing Authority may refuse to grant any permit authorising the supply of new tyres or tubes or retreaded tyres by such supplier, or as the case may be the retreading of any used tyres by such retreader.

STATEMENT OF OBJECTS AND REASONS.

Experience of the working of the Bengal Tanks Improvement Act, 1939, shows that it is almost impossible to recover water rates for tanks improved under the Act, on a voluntary basis, as provided under section 16(*2*) of the Act and that it is essential that water rates should be made compulsory in order that full benefit might arise out of the improvement of irrigation tanks which has been taken up on a large scale in areas affected by drought. It has also been found necessary to make provisions for (*1*) empowering the Collector to modify the period of possession subject to the maximum period of twenty years in order that the cost with interest incurred by the authorised person may be realised within such period, (*2*) taking possession of any land adjoining a derelict tank that may be considered necessary for the purpose of carrying out improvements in the tank, (*3*) making only agricultural lands assessable to fees under the Act and (*4*) barring out the accrual of occupancy rights on the lands adjoining a derelict tank or its banks that may be leased out by the authorised person under section 18. The Bill has been framed with these objects in view.

(*8*) If the purchaser fails to comply with the order of the Court or the Revenue Officer under sub-section (*6*) within such time as may be specified in the said order, the Court or the Revenue Officer may make an order for the forfeiture of the purchase money and for the resale of the tenancy or portion

(*3*) If such deposit is made, the Court shall give notice to the transferee to appear within such period as it may fix and to state what other sums he has paid in respect of rent for the period after the date of transfer or as the landlord's fee, or in annulling encumbrances on the property. The Court shall then direct the applicant or applicants, including any person whose application under sub-section (*4*) is granted to deposit within such period as the Court thinks reasonable such amount as the transferee has paid on this account together with interest at the rate of six and a quarter *percentum per annum* with effect from the date on which such rent or the landlord's fee has been paid.

(*b*) Such application to join as a co-applicant shall be dismissed unless within such period as the Court may fix, not extending beyond the period referred to in clause (*a*), the applicant deposits in Court for payment to the applicant or applicants under sub-section (*1*), such sum, as the Court shall determine as the share to be paid by him for the purposes of sub-section (*2*). If such deposit is made the Court shall grant the application to join and thereafter such applicant shall be deemed to be an applicant under sub-section (*1*).

(*5*) If the deposits required under sub-section (*2*) or clause (*b*) of sub-section (*4*), as the case may be, and under sub-section (*3*) are made, the Court shall make an order allowing the application or applications and directing that the deposits made under sub-sections (*2*) and (*3*) shall be paid to the transferee or to such persons as the Court thinks fit:

Provided that if both the immediate landlord or landlords and the co-sharer tenant or tenants have applied under this section and the application of the co-sharer tenant or tenants is allowed under this sub-section, the application of the immediate landlord or landlords shall be dismissed.

(*6*) In making an order under sub-section (*5*) in favour of more than one co-sharer tenant, the Court may apportion the tenancy comprised in the portion or share transferred among the applicants in such manner as it deems equitable after taking existing possession into consideration; the Court shall so apportion the said tenancy or portion thereof on the request of any applicant and in this case, may require the applicant who makes such request to deposit, within such period as the Court may fix, such further sums as the Court considers necessary for equitable distribution among the remaining applicants:

Provided that no apportionment order under this sub-section shall operate as a division of the tenancy.

(*7*) From the date of the making of the order under sub-section (*5*)—

(*i*) the right, title and interest in the tenancy or portion or share thereof accruing to the transferee from the transfer shall, subject to any orders passed under sub-section (*6*), be deemed to have vested free from all encumbrances which have been annulled or created after the date of transfer, in the immediate landlord and co-sharer immediate landlord, if any, or in the co-sharer tenants, as the case may be, whose application or applications to purchase has or have been allowed under this section,

(*ii*) the liability of the transferee for the rent due from him on account of the transfer shall cease, and

(*iii*) the Court on the further application of such applicant or applicants may place him or them, as the case may be, in possession of the property vested in him or them.

(*8*) An appeal from any order of a Court under this section shall lie to the Civil Appellate Court having jurisdiction to entertain such appeals.

(*9*) Nothing in this section shall take away the right of pre-emption conferred on any person by Muhammadan Law.

(*10*) Nothing in this section shall apply to—

(*a*) a transfer to a co-sharer in the tenancy whose existing interest has accrued otherwise than by purchase, or

(*b*) a transfer by exchange, sub-lease or partition, or

I of 1872.

Saving as to acceptance of landlord's fees.

18. The acceptance by a landlord of the landlord's fee payable under this Chapter in respect of any tenancy shall not operate—

(a) as an admission of the permanence, the amount or fixity of rent, the area, the transferability or any incident of such tenancy, or

(b) as an express consent to the division of such tenancy.

Forfeiture of unclaimed landlord's fees.

19. All landlord's fees deposited with the Collector under this Chapter, shall, unless accepted or claimed by the landlord within five years from the date of service of notice, be forfeited to the Provincial Government.

Interpretation.

20. (*1*) In this Chapter " transferee ", " purchaser " and " mortgagee " include their successors in interest.

(*2*) In sections 14 and 15,—

(a) " transfer " does not include partition or a sub-lease, or, until a decree or order absolute for foreclosure is made, simple or usufructuary mortgage or mortgage by conditional sale ;

(b) " transferor " includes a person whose interest in a tenancy or portion or share thereof has terminated in the circumstances mentioned in sub-section (*2*) or sub-section (*3*) of section 14 or sub-section (*4*) or sub-section (*6*) or sub-section (*7*) of section 15.

CHAPTER V.

(*2*) Where such a customary rate does not exist or cannot be ascertained, the rent may, subject as aforesaid be enhanced upto such limit as the Court thinks fair and equitable in the circumstances of the case.

(*3*) In determining a fair and equitable rent under sub-section (*2*) the Court shall, subject to such further provisions as may be prescribed in this behalf, take into consideration—

(a) the existing rent and the period during which it has remained without enhancement ;

(b) as far as can expediently be ascertained the rent paid to other landlords for non-agricultural lands in the vicinity with similar advantages or of a similar description ;

(c) the market value of the land comprised in the tenancy and the rent which would be payable if the rate were fixed at not more than four *per centum* of such market value ;

22. If it thinks that an immediate increase of rent will cause hardships, the Court may direct that the enhancement shall take effect gradually at such intervals and by such increments extending over a period not exceeding five years as the Court may fix in this behalf.

Limitation of right to enhancement.

23. When the rent of a tenancy specified in any of the sections 5, 6, 9 or 10 has been enhanced by the Court or in pursuance of the conditions of a contract, it shall not be further enhanced by the Court during the fifteen years next following the date on which it has been last so enhanced and for the purposes of this section if an order of gradual enhancement of such rent has been made by a Court in accordance with the provisions of section 22, the full rent fixed by such order shall be deemed to have come into effect from the date of such order.

Reduction of rents.

24. The rent of a non-agricultural tenant holding a tenancy specified in any of the sections 5 to 12 may be reduced by the Court if the Court considers that the rate of rent payable by the tenant is unfair and inequitable, and in determining what rent is fair and equitable under this section the Court shall have regard to the provisions of sub-section (*3*) of section 21.

CHAPTER VI.

Other incidents of tenancies held by non-agricultural tenants.

Manner of use of tenancies

25. 26. A non-agricultural tenant holding a permanent tenancy specified in section 5, or section 6 shall be entitled—

IV of 1882.

CHAPTER VII.

Miscellaneous.

Act not to apply to leases for forest, fishery and mineral rights.

29. Nothing in this Act shall apply to any lease in respect of any forest-rights or rights over fishery or rights to minerals in any non-agricultura' land.

Certain contracts not to affect the provisions of the Act.

30. Nothing in any contract between a landlord and a tenant made after the commencement of this Act shall take away or limit the rights of such tenant as provided for by this Act, and any contract which is made in contravention of the provisions of this section or which is inconsistent with, or purports to alter the effect of, any of the provisions of this Act, shall, to the extent of such contraventions or inconsistency or to the extent it purports to alter such effect, be void and without effect.

The Bengal Non-Agricultural Tenancy Bill, 1944.

(Clauses 31—33.)

Jurisdiction in proceedings under this Act.

31. When under this Act a Court is authorized to make an order on the application of a landlord or a tenant, the application shall be made to the Civil Court which would have jurisdiction to entertain a suit for possession of the non-agricultural land comprised in the tenancy in connection with which the application is brought.

Application.

32. The provisions of this Act shall have effect in respect of all suits or proceedings, including proceedings in execution for ejectment of a non-agricultural tenant which are pending at the date of commencement of this Act.

Rules.

33. (*1*) The Provincial Government may, subject to the condition of previous publication, make rules for carrying out the purposes of this Act.

(*2*) In particular and without prejudice to the generality of the foregoing power, such rules may provide for all or any of the following matters, namely :—

(*a*) the manner in which the landlord or the tenant may apply to the Court under sub-section (*2*) of section 7 ;

(*b*) the forms of the notices referred to in sections 14 and 15, the manner of service of such notices and the amount of the process fees referred to in the said section ;

(*c*) the manner in which the landlord's fees referred to in section 15 shall be transmitted to the landlord, the costs of transmission of such fees and the manner of payment of the landlord's fees and cost of transmission under sub-section (*12*) of that section ; and

(*d*) the determination of a fair and equitable rent referred to in sub-section (*3*) of section 21.

STATEMENT OF OBJECTS AND REASONS.

Government have considered the Report of the Non-Agricultural Land Enquiry Committee and are of the opinion that notwithstanding the provisions of the Transfer of Property Act, 1882, the non-agricultural tenants who hold lands under a lease for residential, business, manufacturing or other purposes are in need of better security. It is obvious, however, that the degree of protection cannot be the same for all classes of tenants and it has been considered necessary to make a distinction between tenancies which are—

(*1*) of unknown origin or which originated from before the Transfer of Property Act, 1882 ;

(*2*) held under a written lease for a specified period of not less than twelve years ;

(*3*) held under a written lease but without specification of any period or without a written lease but originating from after the Transfer of Property Act, 1882, in either case the period of possession not being less than twelve years ;

(*4*) held under a written lease or otherwise for a period of more than one year but less than twelve years.

It is proposed to confer permanent, heritable and transferable rights on all tenants coming under (*1*). Lessees under (*2*) should have a right of renewal on fair and equitable terms, but in case the lessor has allowed a *pucca* structure to be constructed on the land, the tenant should have the status of a permanent lessee irrespective of the period of occupation. Lessees under (*3*) should have a permanent heritable right. All holdings coming under (*2*) and (*3*) should be transferable on payment of a landlords' transfer fee. A perversion of user or a breach of a condition of the contract should be the only grounds on which a tenant under (*1*), (*2*) and (*3*) can be evicted. In case of tenants under (*4*) provision has been made for payment of compensation under certain circumstances in case of eviction.

The Bill has been drafted to provide for these protective rights and also to confer other incidental but necessary rights on the non-agricultural tenants of the different classes.

STATEMENT OF OBJECTS AND REASONS.

The Federal Court has held that the Hindu Women's Rights to Property Act, 1937 (XVIII of 1937) is *ultra vires* in so far as it relates to agricultural lands in the Governors' Provinces. In view of this it is considered necessary that legislation should be undertaken so as to extend the provisions of the Act to agricultural lands in this Province with retrospective effect in order to give widows the full measure of the benefit which the framers of the Act contemplated and to protect transactions already entered into on the faith of the Act with certain savings.

The Bill has been framed with these objects in view.

in either case the period of possession not being less than twelve years ;

(*4*) held under a written lease or otherwise for a period of more than one year but less than twelve years.

It is proposed to confer permanent, heritable and transferable rights on all tenants coming under (*1*). Lessees under (*2*) should have a right of renewal on fair and equitable terms, but in case the lessor has allowed a *pucca* structure to be constructed on the land, the tenant should have the status of a permanent lessee irrespective of the period of occupation. Lessees under (*3*) should have a permanent heritable right. All holdings coming under (*2*) and (*3*) should be transferable on payment of a landlords' transfer fee. A perversion of user or a breach of a condition of the contract should be the only grounds on which a tenant under (*1*), (*2*) and (*3*) can be evicted. In case of tenants under (*4*) provision has been made for payment of compensation under certain circumstances in case of eviction.

The Bill has been drafted to provide for these protective rights and also to confer other incidental but necessary rights on the non-agricultural tenants of the different classes.

3. (*1*) Every owner or person in charge of an animal, and every veterinary practitioner attending any animal in the course of his veterinary practice, who has reason to believe that such animal is infective shall forthwith report the fact to the President of the union board within the area of which such animal is for the time being kept.

The Bengal Diseases of Animals Bill, 1944.

(Clauses 4—8.)

(2) The President of the union board on receiving any report under sub-section (1) shall without delay communicate such report to the Subdivisional Magistrate who shall, unless for reasons to be recorded in writing he considers that the report is unfounded in fact, instruct the Veterinary Assistant to proceed to the place where the animal is for the time being kept and examine the animal and inquire into the circumstances of the case, and on receiving such instructions the Veterinary Assistant shall without delay comply therewith.

(3) Whenever a Veterinary Assistant has reason to belive that any animal within his jurisdiction is infective he shall proceed as soon as possible to the place where the animal is and examine it and inquire into the circumstances of the case, notwithstanding that no report under sub-section (2) in respect of such animal has been received by him.

(4) If after the examination and inquiry referred to in sub-section (2) or sub-section (3) the Veterinary Assistant is of the opinion that the animal is infective, he shall report the matter in the manner prescribed to the Provincial Government or to such officer of the Bengal Civil Veterinary Department as the Provincial Government may appoint in this behalf and the Veterinary Assistant shall also take such further action under the provisions of this Act as may be necessary or expedient.

4. Every owner or person in charge of an animal who has reason to believe that such animal is infective shall as far as may be possible in the circumstances sergregate such animal in a place apart from all other animals which are not infective and shall take all possible steps to prevent any animal which is not infective from coming into contact with or approaching near to such animal.

Declaration of infected areas.

5. (1) The Provincial Government or such officer as it may authorise in this behalf may by notification published in the manner prescribed declare any area in which any contagious disease has broken out, or any area within which in the opinion of the Provincial Government, or such officer, there is a danger of the spread of any such disease, to be an infected area.

(2) Every notification under sub-section (1) shall specify the limits of the area which is declared to be an infected area and shall also specify the contagious disease in respect of which the area is declared to be an infected area.

(*2*) If the owner of an animal seized under the proviso to sub-section (*1*) applies in the prescribed manner for the return of such animal to his possession, the animal shall be so returned if such owner pays any expenses, calculated in the prescribed manner, incurred for the isolation, segregation, upkeep and treatment of the animal up to the date of its release :

Provided that on the release of the animal the owner shall comply with any order which the Veterinary Assistant may see fit to issue under sub-section (*1*).

(*3*) If the owner of an animal seized under the proviso to sub-section (*1*) does not apply for the release of the animal under sub-section (*2*) and the animal is, in the opinion of the Veterinary Assistant, no longer likely to infect any other animals with the contagious disease in respect of which it was seized, the Veterinary Assistant shall send the animal to the nearest cattle pound or deal with it in such other manner as may be prescribed.

(*4*) Notwithstanding anything in sub-sections (*1*), (*2*) and (*3*) if the Veterinary Assistant, after due examination of any animal, certifies in writing that such animal is affected with any of such contagious diseases as may be prescribed in this behalf, he may destroy the animal or deal with it in such other manner as may be prescribed.

(*k*) the manner in which an animal may be buried under sub-section (*1*) of section 13 ;

(*l*) the rules subject to which a Veterinary Assistant may take action under section 17.

STATEMENT OF OBJECTS AND REASONS.

The high mortality among cattle in Bengal due to epidemic diseases is well known, but there is at present no statute in this province to control them. Action taken on a voluntary basis cannot be effective, as restriction on the movement of diseased cattle from one place to another, their segregation, and mass inoculation of healthy stock in affected areas are among the measures which must be taken to bring about a speedy control of the epidemic diseases. This Bill has accordingly been prepared vesting Government with powers to undertake the necessary control measures.

2. The Glanders and Farcy Act, 1899, already in force in this province applies to horses, camels, asses and mules. Under section 2(*1*) of that Act, its provisions can be extended to apply to these animals affected with any dangerous epidemic disease by a notification issued by the Provincial Government in the *Official Gazette*. It is not, therefore, considered necessary to extend the provisions of the present Bill to horses, camels, asses and mules.

3. The provisions of this Act shall have effect notwithstanding anything to the contrary in any other law for the time being in force.

Procedure for effecting restoration of lands alienated by *raiyats* or under-*raiyats* in 1943.

4. If on or after the 1st January 1943 and before the 1st January 1944, a *raiyat* or under-*raiyat* has transferred any holding by sale for any consideration the amount or value of which does not exceed two hundred and fifty rupees, and if,—

(*a*) he applies in the prescribed manner to the Collector at any time before the 25th day of December 1945 for the restoration of such holding to his ownership and possession; and

(*b*) he satisfies the Collector that he could not have maintained himself or his family except by making such alienation of his holding; and

(*c*) he deposits with the Collector the amount of such consideration or its value together with interest on such amount at the rate of three and one-eighth *per centum per annum* from the date of his receipt of such consideration and the amount of any compensation for improvements effected to the holding, allowed by the Collector and determined by him in the manner prescribed, less the amount of the net income determined in the manner prescribed derived from such holding by the person in possession of the holding as a result of such alienation,

the Collector shall make an order in writing restoring such holding to the ownership and possession of such *raiyat* or under-*raiyat*, as the case may be:

Provided that the Collector before making any order under this section may make such inquiry as he may consider necessary and shall give a hearing to the transferee, and, if the holding is in possession of a person other than the transferee, to such person also.

The Bengal Alienation of Agricultural Land (Temporary Provisions) Bill, 1944.

(Clauses 5—7.)

Effect of order for restoration of lands.

5. *(1)* When the Collector makes an order under section 4 restoring any holding to the ownership and possession of a *raiyat* or under-*raiyat*, such order shall have effect on the 1st day of *Baisakh* next following the date of the order.

(2) From the date on which an order under section 4 takes effect under sub-section *(1)*, the right, title and interest in the holding accruing to the transferee as a result of the transfer referred to in that section shall be deemed to have vested in the *raiyat* or under-*raiyat*, as the case may be, free from all encumbrances, if any, which have been created after the date of such transfer.

(3) If on or before the date on which an order under section 4 takes effect under sub-section *(1)*, the person in possession of the holding as a result of the transfer referred to in that section has not yielded possession of the holding to such *raiyat* or under-*raiyat*, the Collector may of his own motion, and shall on the application of the *raiyat* or the under-*raiyat*, eject such person and place such *raiyat* or under-*raiyat* in possession of the holding.

Manner of payment of compensation for lands restored.

6. *(1)* If the transferee of any holding in respect of which an order under section 4 has been made has not alienated the holding in any manner referred to in sub-section *(2)*, the amount deposited with the Collector under clause *(c)* of that section shall subject to the provisions of sub-section *(3)* be paid to the transferee on his application and in the manner prescribed.

(2) If the transferee of such holding has alienated the holding prior to the date of the order under section 4 the amount deposited with the Collector under clause *(c)* of that section shall subject to the provision of sub-section *(3)* be paid on the application of the person entitled to payment under this sub-section and in the manner prescribed,—

(a) in the case of alienation by means of,—

(i) a *bona fide* transfer for valuable consideration, or

(ii) a *bona fide* gift by a registered instrument or *heba*,

to the person in possession of the holding as a result of such alienation;

(b) in the case of alienation by means of,—

(i) a *bona fide* lease for valuable consideration, or

(ii) a usufructuary mortgage,

to the transferee and the person in possession of the holding as a result of such alienation in such proportion as the Collector may deem fair and equitable.

(3) If such holding is subject to a *bona fide* mortgage other than a usufructuary mortgage and such mortgage was executed after the transfer of such holding referred to in section 4, the Collector shall first pay out of the amount deposited with the Collector under clause *(c)* of that section to the mortgagee the amount due under the mortgage as determined by the Collector and, if there remains a balance after the said amount has been paid, such balance shall be paid in the manner provided in sub-secuon *(1)* or sub-section *(2)*, as the case may be.

Optional conversion of transfer of land into complete usufructuary mortgage.

7. *(1)* Instead of applying under clause *(a)* of section 4 for the restoration of his holding a *raiyat* or an under-*raiyat* may at his own option apply for the conversion of the transfer by sale of his holding into a complete usufructuary mortgage and in such case if the *raiyat* or under-*raiyat* otherwise complies with the provisions of clauses *(a)* and *(b)* of section 4, the Collector shall make an order in writing converting the said transfer by sale into a complete usufructuary mortgage with—

(a) in the case of alienation by any of the means referred to in clause *(a)* of sub-section *(2)* of section 6, the person in possession of the holding as a result of such alienation as the mortgagee, and

(b) in all other cases the transferee as the mortgagee,

for a period of ten years or such shorter period as in the circumstances of the particular case is in the opinion of the Collector justified.

(2) When the Collector makes an order under sub-section *(1)* converting a transfer by sale into a complete usufructuary mortgage for a period specified by him, the right, title and interest in the holding accruing to the transferee as a result of the transfer shall, with effect from the date of such order, be deemed to have vested in such *raiyat* or under-*raiyat*, as the case may be, subject to such complete usufructuary mortgage and free from all other encumbrances, if any, created after the date of the transfer, and it shall not be necessary for the *raiyat* or the under-*raiyat*, as the case may be, to deposit the amount referred to in clause *(c)* of section 4 with

The Bengal Alienation of Agricultural Land (Temporary Provisions) Bill, 1944.
(Clauses 8—10.)

the Collector and the liability for the payment of any amount referred to in the said clause shall be deemed to be extinguished on the expiry of the said period.

(3) On the expiry of the period of the mortgage, if the mortgagee does not yield possession of the mortgaged holding to the *raiyat* or the under-*raiyat* as the case may be, the Collector may of his own motion, and shall on application of the *raiyat* or the under-*raiyat*, eject the mortgagee and place the raiyat or the under-*raiyat*, as the case may be, in possession of the holding.

Exclusion of jurisdiction of High Court and Civil Courts.

8. Neither the High Court nor any Civil Court shall have jurisdiction in any matter which the Collector is empowered to dispose of under this Act.

Power to make rules.

9. (*1*) The Provincial Government may make rules for carrying out the purposes of this Act.

(*2*) In particular and without prejudice to the generality of the foregoing power, such rules may provide for all or any of the following matters, namely :—

(*a*) the manner in which a *raiyat* or under-*raiyat* is to apply to the Collector under clause (*a*) of section 4;

(*b*) the manner in which the Collector is to determine the amount of any compensation allowed under clause (*c*) of section 4;

(*c*) the manner in which the net income referred to in clause (*c*) of section 4 is to be determined; and

(*d*) the manner in which the payments referred to in section 6 are to be made.

Continuance of action taken under Bengal Ordinance IV of 1943.

10. Any rules made or anything done or any action taken or any proceedings commenced in exercise of any power conferred by or under the Bengal Alienation of Agricultural Land (Temporary Provisions) Ordinance, 1943, shall, on the said Ordinance ceasing to be in operation, be deemed to have been made, done, taken or commenced in exercise of the powers conferred by or under this Act as if this Act had commenced on the 24th day of December, 1943.

STATEMENT OF OBJECTS AND REASONS.

As a result of the prevailing economic distress many *raiyats* and under-*raiyats* transferred their holdings by sale to maintain themselves and their families and thus reduced themselves to the position of landless labourers. Such transactions mostly took place in the year 1943. It is considered desirable that provision should be made by legislation to enable those *raiyats* and under-*raiyats* who transferred their holdings in this way during 1943 to get them back immediately or at some future date. The Bill has been framed with this object in view.

Faridpur.—No. 1386L.R.—25th January 1944.—Under section 114 of the Bengal Tenancy Act, 1885 (Act VIII of 1885), the Governor has determined that in police-stations Pangsa, Rajbari, Baliakandi, Bhusna, Nagarkanda and Bhanga and parts of police-stations Faridpur, Sadarpur, Sibchar and Char Bhadrasan in the district of Faridpur where the preparation of a record-of-rights has been undertaken under notification No. 5118L.R., dated 7th May 1940, the landlords' and tenants' share of the cost for the survey and preparation of record-of-rights including the estimated cost of maintenance of boundary marks for a period of fifteen years shall be apportioned and recovered as specified below:—

1. The rate of 13 annas 6 pies shall be levied per acre of which the raiyats including persons holding non-agricultural tenancies analogous to raiyati holdings shall pay at 6 annas 9 pies per acre and their landlords of all grades together at 6 annas 9 pies per acre.

Common lands such as rivers, roads, khals, halats, burial grounds, burning ghats, etc., used by the public, but not appertaining to any tenancy, will be excluded from assessment. Tanks, even if used by the public and not appertaining to any tenancy will not be excluded.

2. Landlords shall pay the raiyats' share for lands in their possession and raiyats shall pay at the full raiyati rate for lands comprised in their holdings.

3. Rent-free holders, whether of the grade of raiyats or tenure-holders, shall pay the whole of the landlords' share for their lands and also the raiyats' share for lands in their khas possession.

4. As between the different grades of landlords, the landlords' share shall be apportioned thus:—

(*a*) permanent tenure-holders whose rent is fixed in perpetuity shall pay their own share of the cost and that of the landlords superior to them;

(*b*) other permanent tenure-holders, and temporary tenure-holders whose lease has still over fifteen years to run, shall pay three-fourths of the landlords' share, and their landlords shall pay the remaining one-fourth;

(*c*) temporary tenure-holders whose lease has fifteen years or less to run shall pay 15/16ths of the share which they would pay in accordance with (*b*) above, if they were permanent tenure-holders; and so on proportionately, according to the number of years of the lease to run; and

(*d*) temporary tenure-holders who do not hold on a lease or for fixed term shall pay half of the landlords' share.

Explanation.—The calculation shall be made from the lowest grade of landlords immediately above the raiyats; the period for which the lease of the tenure or under-tenure is to run is to be reckoned in each case from the close of the agricultural year in which the record is finally published.

5. Under-raiyats having occupancy right or protected under section 48C(*e*), proviso (*i*) (*1*) and (*2*), shall pay at the rate of six annas nine pies per acre, while other under-raiyats shall pay at four annas for a tenancy or part of a tenancy recorded in one village.

8. Jalkardars for 15 years or less shall pay at the rate of half anna per rupee or rent multiplied by the number of years the jalkars have to run divided by 16. In temporary jalkars having more than 15 years to run and in permanent jalkars, the rate shall be half anna per rupee of rent. The minimum charge for a jalkar khatian shall be four annas. The rent-receiver of such jalkars will pay at the same rate as jalkardars.

9. Usufructuary mortgagees shall pay 15/16ths of the cost and the mortgagor 1/16th, if the mortgage has 15 years to run or more. If it has less than 15 years to run, the cost will be divided proportionately between the mortgagor and the mortgagee to the number of years to run out of fifteen.

10. The calculation shall be as follows:—

(*a*) it shall be made to the nearest anna;

(*b*) areas less than one acre shall be charged for as one acre;

(*c*) for broken areas over 1 acre, there shall be no charge for the broken portion, if it is less than half an acre; but if the broken portion be half an acre or more, it shall be taken as a full acre; and

Class VII.

Problems.

Bisection of angles, and straight lines.

Construction of perpendiculars to straight lines.

Construction of an angle equal to a given angle.

Construction of parallels to a given straight line.

Theorems.

If two sides of a triangle are unequal the greater side has the greater angle opposite to it; and the converse.

Any two sides of a triangle are together greater than the third.

Of all straight lines that can be drawn to a given straight line from a given point outside it, the perpendicular is the shortest.

When a straight line cuts two other straight lines, if—

(1) a pair of alternate angles are equal, or
(2) a pair of corresponding angles are equal, or
(3) a pair of interior angles on the same side of the cutting line are together equal to two right angles,

then the straight lines are parallel; and the converse.

Straight lines which are parallel to the same straight line are parallel to one another.

Problems.

Division of straight lines into any number of equal parts.

Construction of triangles and quadrilaterals with sufficient data.

Construction of a triangle equal in area to a given quadrilateral.

Theorems.

The sum of the angles of a triangle is equal to two right angles; and the two corollaries thereto.

If two triangles have two angles of the one equal to two angles of the other, each to each, and also one side of the one equal to the corresponding side of the other, the triangles are congruent.

If two right-angled triangles have their hypotenuses equal and one other side of the one equal to one other side of the other, the triangles are congruent.

The opposite sides and angles of a parallelogram are equal, each diagonal bisects the parallelogram; and the diagonals bisect one another.

If there are three or more parallel straight lines and the intercepts made by them on any straight line that cuts them are equal, then the corresponding intercepts on any other straight line that cuts them are also equal.

Parallelograms on the same or equal bases and of the same altitude are equal in area.
